

SUPPORTING GARDEN-BASED TEACHING AND LEARNING

SPONSOR A GARDEN BED

The Vegetable Project, which digs in the dirt with Albany High School and Stephen and Harriet Myers Middle School students, would be pleased to showcase the names of friends who help make its research-based work with Albany students possible. We will fasten a handsome sign on 2-by-10 sides of our raised garden beds in exchange for a contribution of \$100 and will maintain the installation until March 1, 2022. Funding brings classroom work to life, supports paid internships for at-risk high school students and helps to offer workplace preparation in partnership with Albany's summer youth employment program.

OUR MISSION

The mission of the Vegetable Project is to create hands-on learning opportunities for children in Albany, and especially children with great needs, by building gardens, growing plants and harnessing the power of exposure to nature.

I want to be counted among friends of learning by doing and touching and tasting and experiencing for the 2021 growing season.

Please find enclosed a check made out to Vegetable Project for \$100.

I made a credit card payment by going to vegetableproject.org and clicking on the 'DONATE' button.

I would like my sign to read as follows:

First Name _____

Last Name _____

Email _____

Phone _____
